

Sandburg Foundation Gift Card Program

The idea of the gift card program is to buy gift cards to stores you normally shop at such as Target, Vons, Albertson's, Kohl's, Starbucks, Jamba Juice, etc. and use the gift cards to pay for your purchases. You have the full amount of the gift card you purchased, but our school gets a percentage back for that purchased gift card. For example, Vons offers 4%, so with a \$25 gift card purchase our school gets \$1back.

*The preferred method of ordering is on line. It's easy, simply set up an account by registering on www.shopwithscrip.com and use our code
